

Proposed Scooter and Ebike Additions to the Student Code of Conduct

Electric scooters and bikes can offer both a form of exercise as well as entertainment. They also can be dangerous to both the rider and pedestrians as well as potentially damaging to property. Students are not permitted to ride Ebikes or E scooters on school grounds unless the rider is licensed to operate the vehicle and the vehicle is registered and insured. If an ebike is being operated on school grounds by a licensed operator, it must be operated on a roadway at all times. At no time should an e bike or scooter be operated on a sidewalk or turf area.
